Sir:

This is in response to the Office Action mailed May 3, 2004, which sets a three-month shortened statutory period for response until August 3, 2004.

Applicants note that this response is being filed by the initial due date for response whereby an extension of time and the government fee associated therewith should not be necessary for maintaining the pendency of the application. However, if any extension of time is required to maintain the pendency of the application, this is an express request for any required extension of time and authorization to charge any necessary fee to Deposit Account No. 19-0089.

Entry of the following amendment and reconsideration and withdrawal of the objections and rejections of record are respectfully requested.
